INTRODUCTION

2. The 120th Infantry Division is one of three infantry divisions subordinate to the 40th Army and is located at and southwest of Chin-hsi. The division consists of a headquarters area, a tank regiment, an artillery regiment, and three infantry regiments.

BASIC DESCRIPTION

3. Table 1 lists the units of the 120th Infantry Division with their installation names, BE numbers, geographic coordinates, and COMIREX numbers. The installations listed below are keyed to Figures 1 and 2.

Hsing-cheng Barracks and Headquarters Infantry Division AL 1

4. This infantry division headquarters area (area A), 1 nautical mile (nm) north of Hsing-cheng and 9 nm southwest of Chin-hsi, also houses a tank regiment and a tank dispersal and training area. The division headquarters area consists of a multistory I-shaped headquarters building, an E-shaped administration building, 18 barracks, five messhalls, two auditoriums, a heating plant, a multiwing hospital, 18 vehicle sheds, three vehicle maintenance buildings, an ammunition storage area with 12 small ammunition storage buildings, numerous storage/support buildings, and a separately located associated housing area.

5. The tank regiment area consists of a C-shaped headquarters building, ten barracks, a large messhall, an auditorium, two furnace buildings, 12 vehicle sheds, two large vehicle maintenance buildings, numerous storage/support buildings, and a tank subcaliber range.

6. The tank dispersal and training area consists of 14 barracks/quarters, four messhalls, six tank storage sheds, an ammunition storage area with nine ammunition storage buildings, and an extensive tracked-vehicle driver-training course.

Hu-lu-tao Army Barracks East AL 1

7. This artillery regiment (area B), 4.5 nm southeast of Chin-hsi, consists of a multistory C-shaped headquarters building/barracks, an administration building/barracks, a large H-shaped messhall, an auditorium, three furnace buildings, 19 weapons/vehicle storage sheds, two vehicle maintenance buildings, numerous storage/support buildings, and extensive civilian-type housing in the immediate area.

Chin-hsi Army Barracks Northeast AL 1

8. This infantry regiment (area C), on the northeast edge of Chin-hsi, consists of an H-shaped headquarters building, four C-shaped administration buildings, 31 barracks, 15 messhalls, an auditorium, a furnace building, a water tower, eight vehicle sheds, three small vehicle maintenance buildings, six small ammunition storage buildings, numerous storage/support buildings, an associated housing area, and two small-arms firing ranges.
